Lady Finger Activity

The Watermelon

Usually watermelon is found in summer season. This picture of watermelon is created by lady finger technique.

Take a lady finger, cut it into two pieces. Dip it into colour and make the impression in the blank area. Your presentation would be ready.

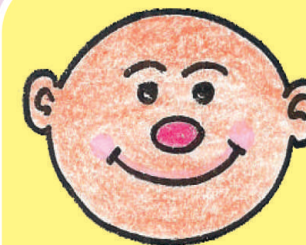

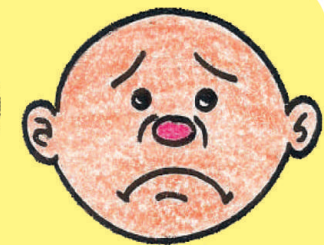

Face Fun

This is an very interesting activity for the children. Look at the moods of faces carefully. Make these pictures happy or sad by drawing a curve for mouth as per instructions provided and also colour them.
