# Tomato (water colour)

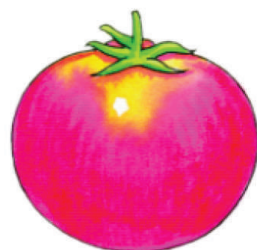

Follow the steps carefully and colour the tomato by using middle tones of the colours by wet method.

Step 1

Step 2

Step 3

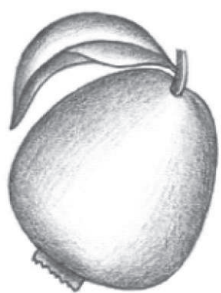

03

Teacher Remarks: Fair  Good  Excellent

# Fruits (Pencil Shading)

A Fruit is a good subject to draw for a beginner artist. Fruits are of different shapes and sizes. Observe the given fruits and given shading effects with pencil and draw outline also with dark pencil.

05

Teacher Remarks: Fair  Good  Excellent

# Sun (The Wood Activity)

This beautiful picture of the sun is created by waste wooden objects and matchsticks. You can also create another meaningful picture according to your imagination using this technique.

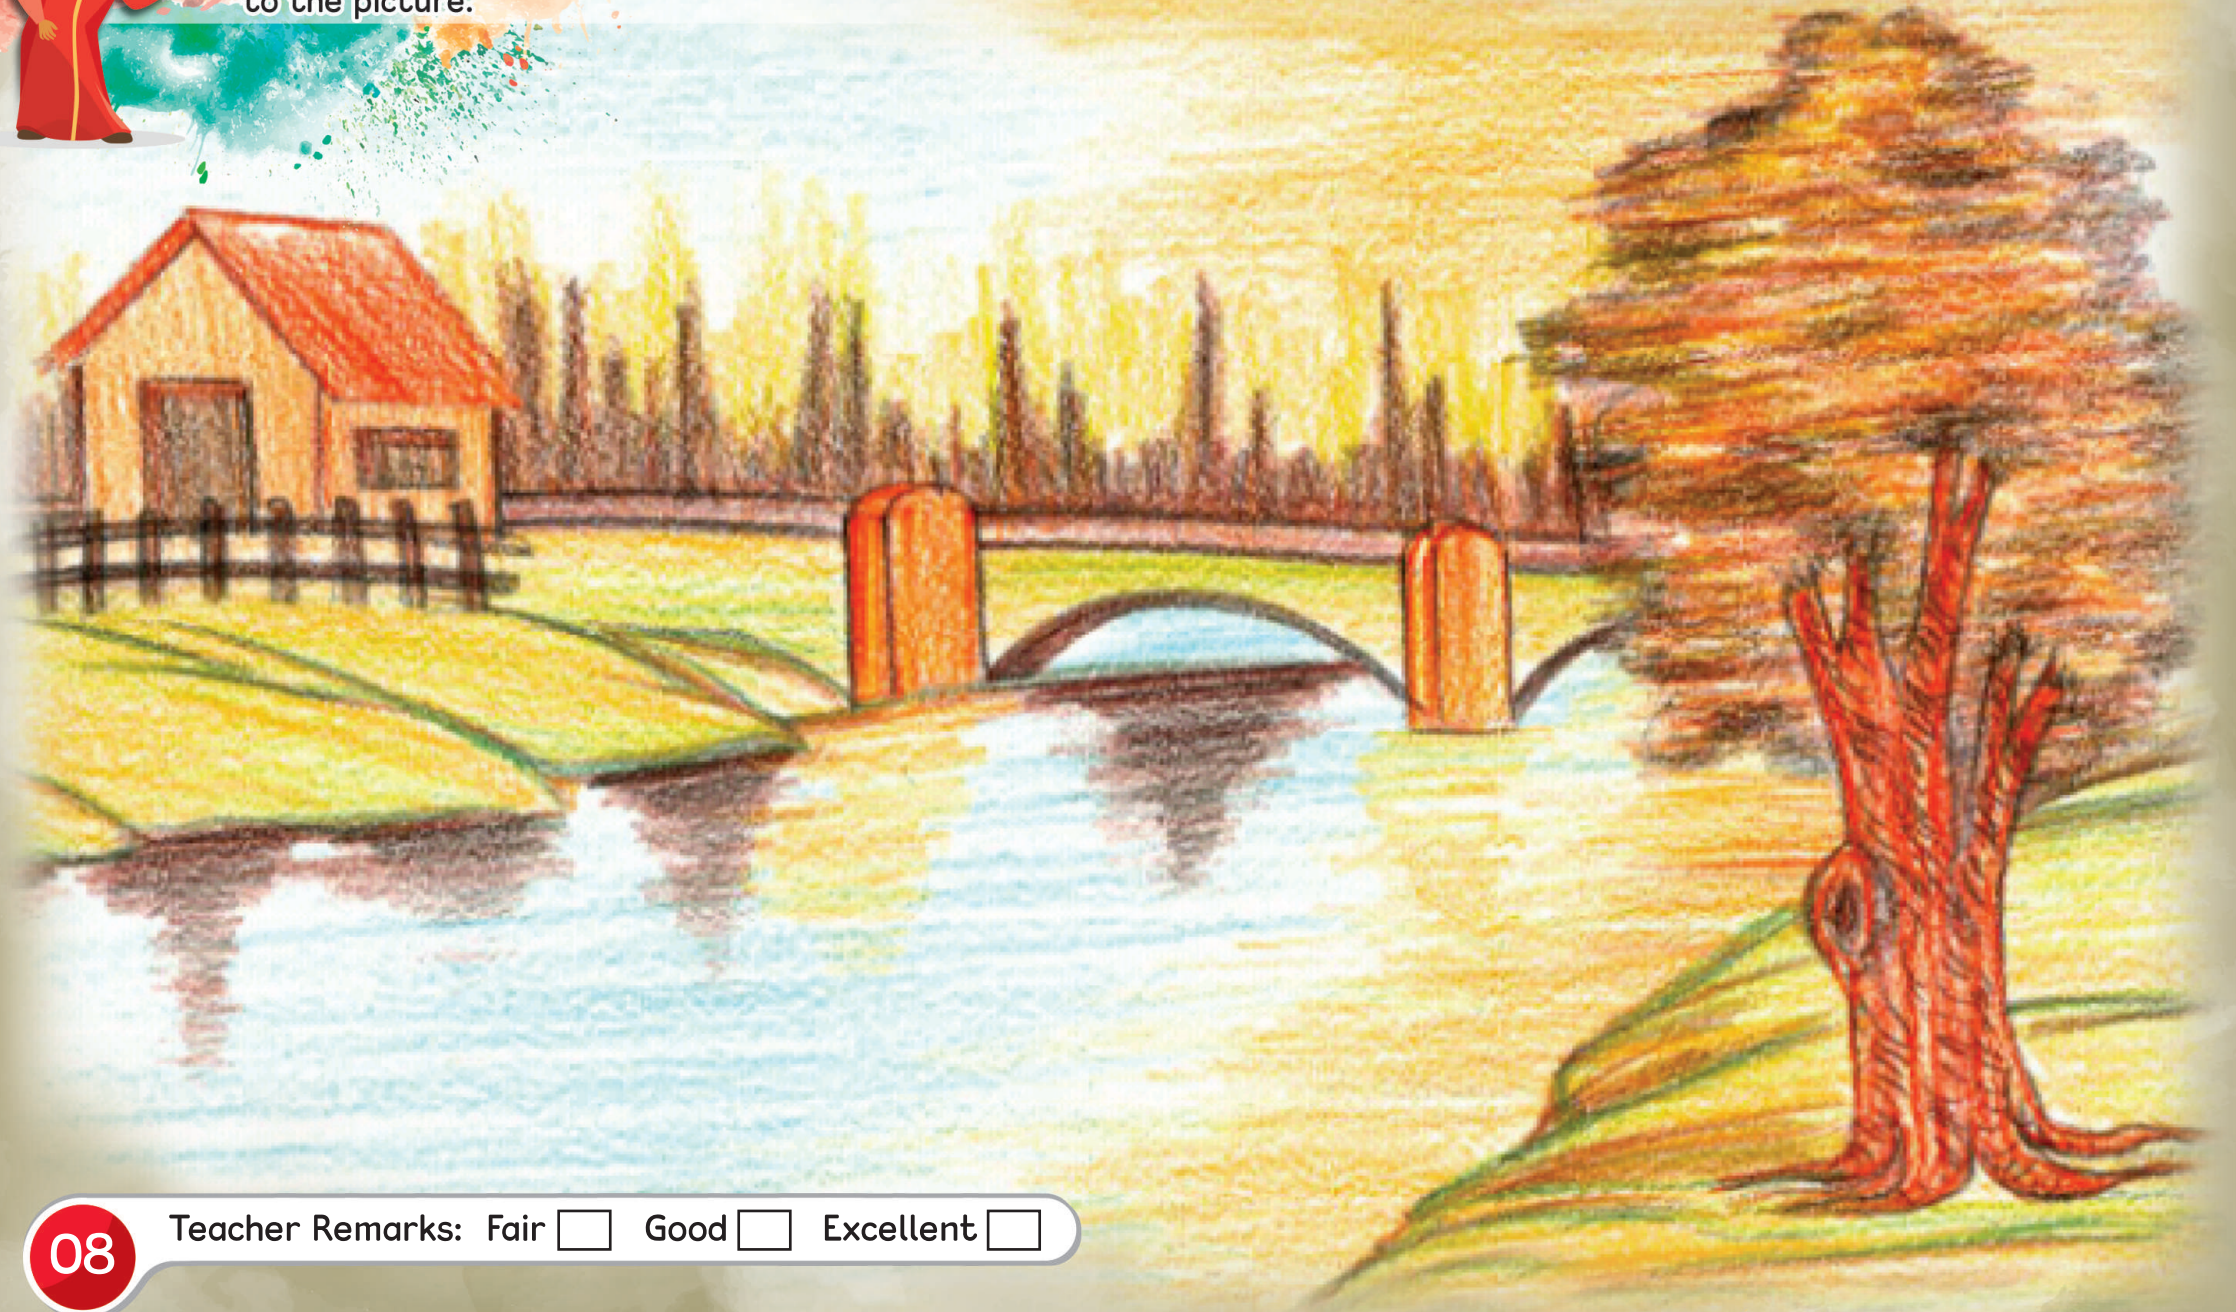

07

Teacher Remarks: Fair  Good  Excellent

# A Beautiful Scenery

You can complete your picture very quickly using crayons. These colours can be used easily to give a beautiful look to the picture.

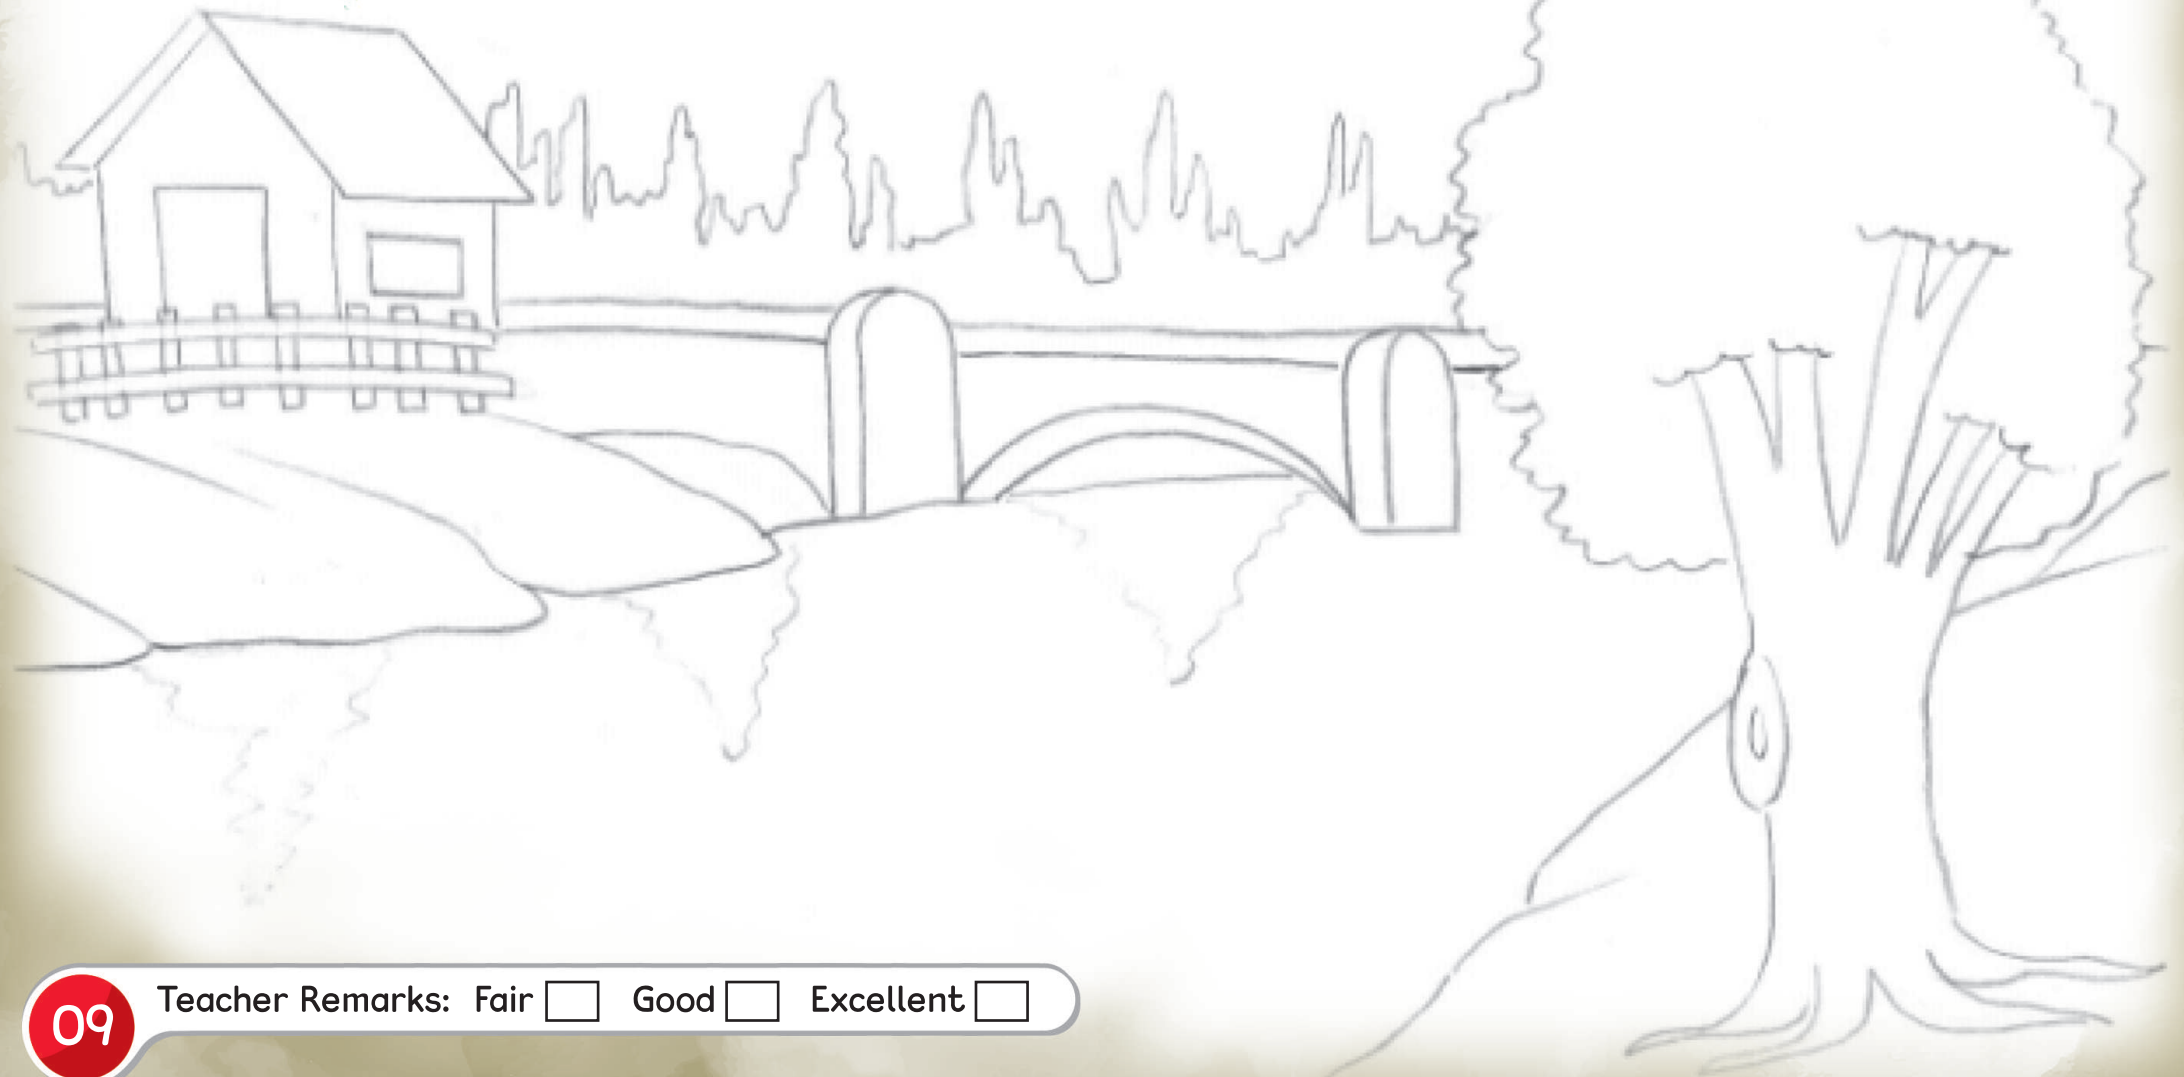

08
